

OLUWAGBEMISOLA OGinni

Surulere, Lagos · 08073593307
gbemisola299@gmail.com | [Linkedin](#)

Dedicated Pharmacist with hands-on experience in dispensing protocols, compounding, inventory management, and regulatory compliance. Skilled in interpreting physician medication orders, filling prescriptions, and counseling patients. Complementary background in pharmaceutical supply chain management, logistics information systems (LMIS), and donor-funded programme coordination, with practical field experience in mental health service delivery and community health outreach.

EXPERIENCE

JUNE 2025 – MAY 2026

CORPER PHARMACIST (NYSC) | LAGOS STATE MINISTRY OF HEALTH, ALAUSA

- **Logistics management Unit (LMCU): Supported end-to-end pharmaceutical supply chain operations**, from warehouse receiving and inventory control to last-mile delivery, ensuring stock availability across distribution points.
- **Lagos State Medical Stores (LSMS): Managed warehouse workflows** including picking, packing, labeling, and storage optimization, maintaining 98% inventory accuracy through month stock counts. Reduced order processing turnaround time by reorganizing warehouse layout and improving supply efficiency to health facilities.
- **Directorate Of Pharmaceutical Services (DPS): Supported** in regulatory oversight, managing documentations, stakeholder management and raising purchase orders
- **Trained and supervised** interns on proper handling of temperature sensitive pharmaceuticals, hazardous materials, and expiry date monitoring.

DECEMBER 2025 – FEBURARY 2026

LOCUM PHARMACIST | ANDREA PHARMACY, SURULERE

- Conducted comprehensive medication reviews and provided patient counseling, improving medication adherence and health outcomes for chronic disease patients.
- **Identified and resolved over 200 medication-related problems including drug interactions, contraindications, and adherence barriers.**
- Managed daily pharmacy operations including prescription processing, inventory management, and quality assurance.
- Implemented informal inventory tracking systems to optimize stock levels and reduce waste

FEBURARY 2024 – JANUARY 2025

INTERN PHARMACIST | FEDERAL NEURO-PSYCHIATRIC HOSPITAL, YABA

- Assisted pharmacists in dispensing medications for neuropsychiatric conditions (e.g., epilepsy, ADHD, autism spectrum disorders) and monitored for drug interactions or contraindications.
- Reviewed individualized medication regimens for peadiatric patients, ensuring age-appropriate dosing and formulation.
- **Collaborated with specialists to optimize pharmacotherapy for patients with complex needs.**
- Conducted medication reconciliation during patient admissions and discharges to ensure continuity of care and minimize errors.

- **Provided compassionate patient counseling to caregivers and families**, simplifying instructions for administering medications to patients with communication and compliance challenges.
- **Monitored patients for adverse effects of psychotropic medications** (e.g., antipsychotics, mood stabilizers) and reported findings to senior pharmacists.
- **Participated in interdisciplinary rounds** to discuss medication therapy management for patients with dual neuropsychiatric and developmental diagnoses.
- Maintained accurate documentation in electronic health records (EHR) and ensured compliance with hospital policies and regulatory standards (e.g., NAFDAC).

MARCH 2023 – NOVEMBER 2024

LOCUM PHARMACIST | ORI PHARMACY, SHOMOLU

- Compared prescription details against safety standards and insurance requirements to support patients.
- **Interacted with healthcare professionals to support timely and proper processing of prescriptions.**
- Educated patients on possible drug interactions, potential side effects and optimal methods of administration.

OCTOBER 2023 – FEBURARY 2024

COVER PHARMACIST | JOMAVID PHARMACY, ITIRE

- Educated patients on possible drug interactions, potential side effects and optimal methods of administration.
- **Prepared packaging and labels for prescriptions, verifying accuracy of dosage, side effects, interactions and refill instructions.**
- Compared prescription details against safety standards.

AUGUST 2023 – SEPTEMBER 2023

COVER PHARMACIST | PHARMA 33, OBANIKORO

- **Prepared packaging and labels for prescriptions, verifying accuracy of dosage, side effects, interactions and refill instructions.**
- Monitored inventory levels and notified the procurement officer of out-of-stock items.

JUNE 2022 – OCTOBER 2022

LOCUM PHARMACIST | PROTRUST PHARMACY, EBUTE METTA

- **Followed policies, procedures and best practices for pharmacy operations.**
- Cleaned and disinfected counting trays after preparing medications.
- **Performed blood pressure and blood glucose tests on patients.**
- Monitored inventory levels and Superintendent Pharmacist of items requiring reorder.

SEPTEMBER 2021– NOVEMBER 2021

PHARMACY STUDENT INTERN | HAVANA SPECIALIST HOSPITAL, SURULERE

- **Gained practical experience in a hospital pharmacy setting, including medication dispensing, medication reconciliation, and inventory management**
- Assisted pharmacists in reviewing patient profiles, identifying drug-related problems, and providing appropriate pharmaceutical interventions
- Participated in medication safety initiatives, such as medication error reporting and quality improvement projects

NOVEMBER 2019 – JANUARY 2020

PHARMACY STUDENT INTERN | VATICAN BELLS PHARMACEUTICALS LTD., SURULERE
